Follow the Snow Bike Route (SBR)
Signs on Marker Posts.

Magenta highlight on map shows SBR Route.

Full SBR is about 7.5 Miles.

Length and route may vary depending on snow conditions.

Single track is one way for bicycles. Direction indicated by arrows on the map and signs along the trail. Bicycles yield to pedestrians (runners, hikers, walkers, etc.). Pedestrians are advised to travel opposite bicycles on single track. Some trails are located in flood-prone areas. Please do not ride when leaving ruts.
